Step 2: A web page will appear in your browser, similar to the image shown below. Click "Start" to begin the process.

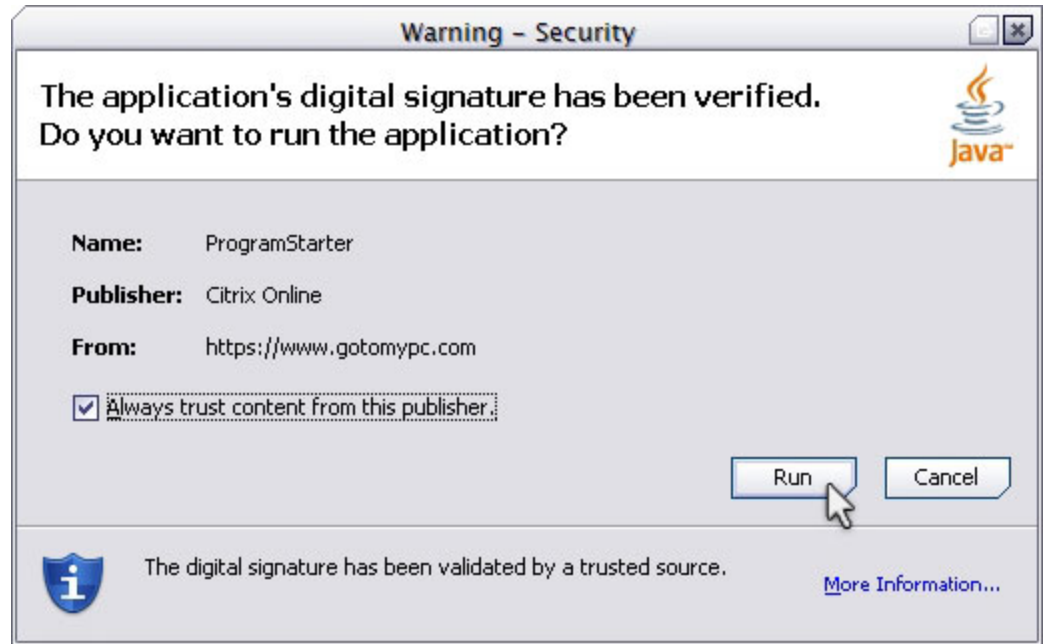

The screenshot shows a web page with a dark header containing the text "Access Your PC From Anywhere.™" in green. Below the header is a light green bar with the text "Fast. Easy. Secure." in black. The main content area has a white background and is titled "Connect to Jim's Computer" in bold black text. Below the title, there is a paragraph: "You have been invited to remotely access Jim's computer. To access it you need to download the GoToMyPC Viewer. You must be connected to the Internet to join Jim. To begin, click Start." At the bottom right of this section is a blue button with the word "Start" in white, and a mouse cursor is pointing at it.

Step 3: The page below will appear while the software begins to download.

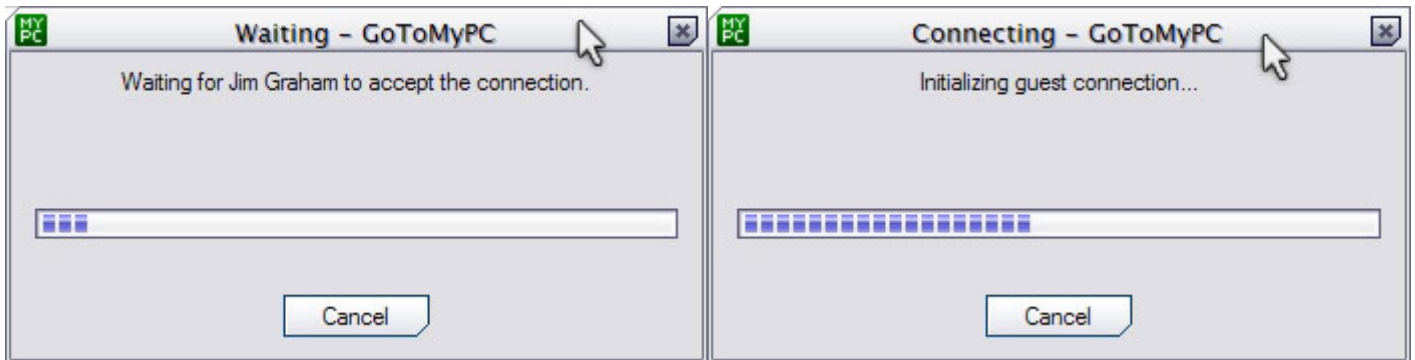

The screenshot shows a web page with a dark header containing the text "Access Your PC From Anywhere.™" in green. Below the header is a light green bar with the text "Fast. Easy. Secure." in black. On the left side, there is a green sidebar with the "GoToMyPC" logo and a list of navigation links: "Log In", "Home", "How It Works", "Free Trial", "Buy Now", "Product Info", "About Us", "Newsroom", and "Help". The main content area has a white background and features a "Special Offer: 2 PCs for the price of 1" in bold orange and green text. Below this, it says "Subscribe to GoToMyPC right now and get unlimited access to 2 PCs for the price of 1 — only \$19.95 a month." and includes a link "Click here to get an additional PC for free" in orange. The section is titled "Connecting to 'Be Well'..." and contains the text "GoToMyPC will download shortly." Below this is a white box with a grey border containing the text "Click 'Yes' or 'Always' if prompted." and "Launch successful." with a progress bar below it. At the bottom of the main content area, there are two sections: "Need help? If the GoToMyPC Software does not start within one minute, manually download GoToMyPC and click 'Run' when prompted. (You may be asked twice.)" and "Download problems? Use the Universal Viewer if you are using a public Internet terminal or a computer that won't run downloaded executables." At the bottom of the page is a light green bar with the text "Contact | Send a Friend a Free Trial | Become a Partner" in black.

Step 4: A window will pop-up, similar to the one displayed at the right. Click “Yes” “Run” or “Always” to continue the software installation.

Step 5: The software will download and the connection will be established. Windows such as those below will display the status of these downloads.

Step 6: The software will launch once the connection to Be Well's computer is established. You will see a screen like the one shown below.
